Thanks Roger. I just got CDMs proposal today.

Hope all is well,

Mike

Subject: FW: Data Request

See my comments below:

It is my understanding that the data is in Microsoft access and that you have tasked CDM under the new work assignment to place the data in Scribe

Hey Roger,

Long time! Hope all is well?

See Below, is this something you can help with?

Thanks,
Mike

Subject: Data Request

Hi Mike,

The Data Team has been tasked to provide a report which will provide to management a detailed description of all Superfund data. I show you have the following site that does not have data in Scribe:

Columbia Falls Aluminum Company

Will you please provide the following information on this site by COB Friday 2/24?

- What data exists?

Soil, surface water, groundwater, sediment, GPS sample locations, photo logs, field notes, well logs,

- Who is managing it?

Roux Associates, Inc. on behalf of the PRP

- Where is it?

Roux Associates offices in Islandia, NY

- What format is the data in?

Microsoft Access

- Is there a Data Management Plan?

Developed as part of the Sampling and Analysis Plan

Thank you so much!

Jeff Mosal
